

## SGC Newsletter 4

### Welcome

Welcome to the latest Newsletter and to all new customers, welcome to the family! It seems such a long time since I wrote a newsletter, actually the last one was New Year 2020! We appreciate any feedback as we are always keen to improve the quality of our service. As the saying goes - if you don't like it, tell us and if you do like it, tell everyone else!

### A Huge Thankyou

We would like to take this opportunity to say a HUGE thankyou to all our customers for your patience and understanding during lockdown. We really appreciate those of you who showed us great loyalty during such a crazy time. I know we are a relatively new company (we celebrated our 1st birthday on 14th March) and we wouldn't have made it without your continued support. A huge and heartfelt thankyou from the Blessts.

### Special Offer

Book a 3hr gardening session ( 1 visit of 3hrs or more) and we wont charge you for the green waste disposal. Please email us at the usual address [sunnysgardencare@gmail.com](mailto:sunnysgardencare@gmail.com) to book a slot. Please mention SGCWD03 when booking. Offer Valid until 31/08/20

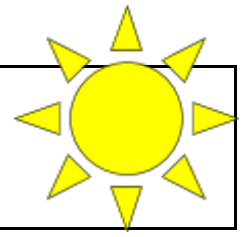

### Garden Colour

Adding some colour to your garden this time of year is easier that you think. By planting shrubs such as azaleas and camellias, not only do you get beautiful flowers but also some attractive foliage too. Also consider some foliage plants which will add different shades of green or even some striking reds and purples to your plot. Now is also the time for planting summer-flowering bulbs such as gladioli, dahlias or begonias. (I know I have got ours ready for Sunny to do!)

### Free Gift

As a token of our appreciation, a free SGC gift is being made for all customers as I write this

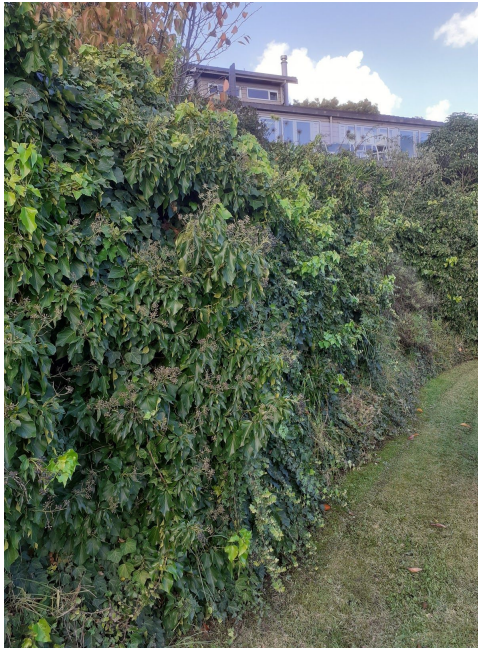

and we are hoping to receive these by the end of July. We'll aim to get one out to you as soon as possible but if you haven't received yours by the end August please let us know.

## Thanks!

A new 'before and after' picture from one of our customer's garden. Customer needed the wall clearing of vegetation before an inspection. A superb job, Sunny, and a very happy customer.

## Before 'n' After

Don't forget.....Look out for the van!

And check out the website
